

Introducing Pearl® Organic Smart Soymilk

Reformulated to meet new federal school nutrition guidelines.

Made with whole organic soybeans, Pearl® Organic Smart Creamy Vanilla and Smart Chocolate Soymilk flavors are cholesterol-free, richer in nutrients and lower in fat than regular milk. Their smooth texture and creamy taste will satisfy even the pickiest kid.

And now, 8.25-ounce single-serve sizes of both flavors have been reformulated to meet the USDA's guidelines for Fluid Milk Substitutions in school nutrition programs.

Healthy Never Tasted So Good

Single-serve (8.25-ounce) Pearl Organic Smart Creamy Vanilla and Smart Chocolate Soymilk flavors are both:

- Reformulated with increased values for nutrients such as calcium, potassium, magnesium, riboflavin, vitamin B12 and—most notably—protein
- Richer in nutrients and lower in fat than whole milk
- An excellent source of folate
- Higher in calcium and vitamins A and D than whole milk
- Rich in protein—an 8-ounce serving provides at least 8 grams of soy protein, nearly 1/3 the daily requirement in a heart-healthy diet
- Preservative-free, minimally processed and pasteurized
- Cholesterol-free and very low in saturated fat
- Made with whole organic soybeans and are lactose-free
- Made with no artificial ingredients or colors
- Clean and smooth in texture, with a rich, satisfying flavor
- Available in aseptic, shelf-stable packaging
