

If your program is participating in Local Food Day on October 24th in celebration of Food Day, by providing a food item grown, harvested or processed in Alaska you could win a GrowLab Compact Garden.

Go to <http://www.surveymonkey.com/s/HK7F66K> and complete the survey by November 1, 2013 to register your program.

The first 60 participants to register their program will receive a digital thermometer.

Make a plan to celebrate local foods in your agency/center/child care and you will be eligible to win this wonderful GrowLab Compact Garden!!!

The children can watch their garden grow inside the classroom or center

Find out more about National Food Day at: <http://www.foodday.org//participate/resources>
Food Day's national priorities are: Promote safer, healthier diets; Support sustainable & organic farms; Reduce hunger; Reform factory farms to protect the environment & farm animals; and Support fair working conditions for food & farm workers
